

## GOODSHEPHERD CONVENT MYSURU UNIT

*“Vision is the art of seeing what is invisible to others”*

The eyes are the reflection of our spirits.

It is indeed a great privilege to report that the Partners in Mission from Mysuru Unit had organized an eye camp for all the pupils and staff.

Good Shepherd Convent for the students of Std. IV to X (Mr. Parashuram and his team from Sushrtha Eye Hospital)

The two days camp successful catering to various vision problems in the students and also the pupils were advised to go in for advance treatment if the problem persisted.

The pupils really benefited by this camp and we are happy that this attempt was of service to others.

Thank you.
