

## CENTERING DECEMBER

### GOODSHEPHERD CONVENT MYSURU UNIT

Contemplative Dialogue With Mission Partners

#### **CURRENT REALITY AND FUTURE DREAM OF MISSION PARTNERSHIP IN OUR PROVINCE**

**We the Mysuru Unit Partners In Mission had the contemplative dialogue for the Centering December. We strongly feel,**

REALITY : Lack of co- ordination and participation among the partners.

We feel as a Partners in Mission we are not fully accepted.

Lack of clarity of the role of the Partners In Mission .

There is a need for identifying likeminded people in partnership from outside the staff circle.

## **FUTURE DREAMS :-**

- \* Work in Unity and strengthen the group.
- \* Create free Atmosphere.
- \* All the Partners in Mission need to come together so that the action plan can be common for all and more effective.
- \* Regular Orientation for Partners in Mission.
