Good Shepherd Sisters, Delhi have been proactively coordinating with the aide by local donor and Arise Foundation, to tackle the ongoing coronavirus Crisis and help out the vulnerable sections especially migrant daily wage earners.

As the catastrophe of Covid 19 pandemic grows extensively the livelihoods of a large number of migrants’ families surviving on daily wages has been traumatized. Hundreds and thousands of migrant informal sector workers in and around Pitampura, North west Delhi has become one of the worst hit area of the Covid 19 as the area has got one of the large number of migrant informal workers are living in the slums.

Emergency ration kits are all it takes to help hundreds of poor families, abandoned elderlies, urban slum dwellers, poor migrants workers and many others in need. Good Shepherd Sisters at Delhi, distributed Covid-19Emergency Ration kit to vulnerable groups in Pitampura, North West Delhi. Around 200 packaged Covid-19 Emergency Ration kits were distributed to the migrants daily wage workers, rickshaw pullers, domestic workers in two phases.
Observing the 21 day lockdown we reached out to the 100 migrant informal sector workers families with the Covid-19 Emergency Ration kit.

As the lock down continued, it further aggravated economic distress of the families whose livelihood depends on their daily income. Hence we again distributed the Covid-19 Emergency Ration kit to 100 migrants’informal sector families
We are distributing Ration Kit to help Migrants informal sector workers who are facing starvation due to the Covid19 pandemic lockdown. This Covid – 19 Emergency Ration kit includes items like Atta(Wheat flour), Dal, Salt, Mirchi Powder(Chili Powder), Haldi Powder(Turmeric Powder), Tea Powder, Cooking oil, Sugar, Vegetables, etc.

May be we can’t provide food for all the vulnerable groups but we can start from single-hand. If we join hands together then we can provide food to the maximum group of migrants’ informal sector workers.

Please donate and support us in this noble cause.
